

Articulation Agreement

Education and Workforce Development Cabinet,
Department of Workforce Investment,
Office of Career and Technical Education
And
Sullivan College of Technology and Design

The Education and Workforce Development Cabinet, Department of Workforce Investment, Office of Career and Technical Education, (hereinafter "OCTE"), and Sullivan College of Technology and Design, (hereinafter "SCTD"), enter into this Articulation Agreement on this 1st day of April in the year 2010. OCTE and SCTD shall work together to provide postsecondary opportunities for OCTE students at SCTD.

General Agreement

The parties to this agreement may articulate courses designed in their written Programs of Study in the areas of Computer Engineering Technology, Computer Graphic Design, Mechanical Engineering Technology, Mechanical Computer Aided Design Drafting, Architectural Computer Aided Design Drafting, Computer Networking Administration, Computer Network Security and Forensics, Dynamic Web Development, HVAC-R Technology and Interior Design. These courses shall conform to the written curriculum guidelines as provided by the Kentucky Tech curriculum.

The parties further agree that the programs of study shall encourage the integration of technical and academic content in meaningful, applied ways, and that, when possible, instructors shall strive to relate classroom content to real-world situations and practices. Labs, projects and other "hands-on" activities are to be encouraged as instructional strategies.

In order to receive SCTD credit for a course taken at ATCs, all students who come under this agreement must (1) earn a B or better in the course, (2) successfully complete the required entrance exam at SCTD, and (3) enroll at SCTD within one year of ATC or high school graduation. In addition, the student must (4) successfully complete one quarter of study at the campus before the advanced standing credit will appear on the college transcript.

The corresponding courses at the parties that have been properly reviewed and qualify for this Articulation Agreement are the following:

Sullivan College of Technology
and Design Courses:

Office of Career and Technical
Education Courses:

Course #	Course Name	Course #	Course Name
CCS 117	Computer Fundamentals	CIS 100	Introduction to Computers
CGD 115	Introduction to Digital Imaging	VOC 166	Digital Imaging
DRF 110	Introduction to Drafting	DFT 102	Drafting Fundamentals
DRF 116	Design Methods	DFT 112	Engineering Graphics
DRF 135	Computer Aided Drafting	DFT 122	Intro to Computer Aided Design Drafting
ELC 133	AC Circuit Applications	ENGT 114/ 115/117	Circuits II
ELC 132	AC Circuits	ENGT 114/ 115/117	Circuits II
ELC 113	DC Applications	ENGT 110/ 111/113	Circuits I
ELC 112	DC Circuits	ENGT 110/ 111/113	Circuits I
IDD 116	Architectural Drafting	ADF 130	Introduction to Architecture

(Additional courses that may qualify for articulation may be attached to this agreement on a separate piece of paper.)

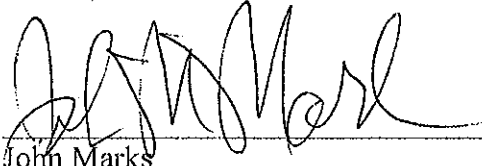

The parties further agree that the OCTE personnel and SCTD personnel will maintain relationships that will permit continued development, refinement, and implementation of all components of the Articulation Program.

Duration of Review

This Agreement shall be effective from the date of affixing signatures below and its duration shall be considered continuous. The Agreement shall be annually reviewed and it is subject to such revisions as are mutually agreeable to both parties. Either party may terminate the agreement at any time. The terminating party will provide the other party written notice of intent to do so at least 30 days in advance. If an agreement is terminated, that termination applies to students not yet enrolled in an articulated course. Students who are enrolled in an articulated course at the time of termination shall be allowed to complete that work under the terms of the original agreement.

In testimony thereof, witness the duly authorized signatures of the parties hereto:
